

Contemporary. Smooth. Unobstructed.

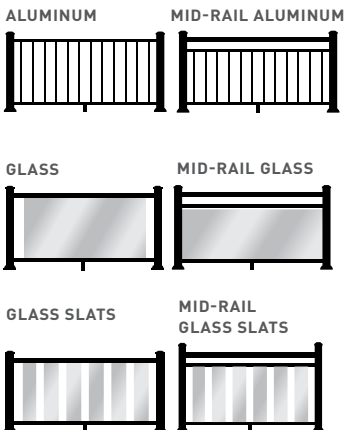

Lean into a minimalist railing profile with this aluminum panel system designed to keep install time short and sightlines clean. Wow homeowners with the Classic railing profile you know and love or dazzle them with the NEW Modern or Drink Rail top rail options. With the addition of these two new top rail options and accessories, your homeowners will appreciate the sturdy, sleek, and stylish Impression Rail Express railing that they can customize and which will stand the test of time.

- Aluminum railing with a powder-coat finish
- Aluminum resists corrosion in moisture rich environments
- Hidden fasteners for an uninterrupted connection to the post
- 25-Year Limited Product Warranty
- Extremely durable and low-maintenance
- Premium resistance to scratches and stains
- Meets new 2018 code compliance standards for residential and commercial applications

NOTE: Panel kits no longer come with a top rail included; they must be ordered separately.
